Assistant Commissioner for Patents  
Washington, D.C. 20231

Attention: Drawing Processing Branch

Sir:

Transmitted herewith is a corrected version of Figure 5.

The version filed with the application omitted " 56 " and " 50 " . This error has been corrected.

Support for this amendment is provided in Figure 5 originally filed in the parent application. The parent application is incorporated by reference at page 1 of the application and on the Utility Patent Application Transmittal form PTO/SB/05 in box 17. Support is also provided in the description of Figure 5 at pages 10-11 of the application.

Entry is respectfully requested.

It is not believed a fee is due for the filing of this document. Should any fee be required in connection with the filing of this document or the Transmittal Of Corrected Formal Drawings filed May 4, 2001, please charge such fee to Deposit Account No. 04-1928 (E. I. du Pont de Nemours and Company).

Respectfully submitted,
